WARRANTY STATEMENT

1. All preparation, processing, packaging and handling carried out under strictly hygienic conditions.
2. Product must be fit for purpose of the nature and substance stated in this specification and free from extraneous and foreign matter.
3. Product shall comply with current UK/EC legislation concerning toxic or other objectionable substances in food stuffs.
4. Product to be free from rodent and insect contamination.
5. Product to comply with current UK/EC Food Regulations and any other relevant statutory, requirements, directives, orders or decisions.
6. Product to be supplied in hygienic packaging so that the stated shelf life is assured when stored under the recommended conditions.
7. Product to be supplied in accordance with this agreed specification.
8. Product to have no treatment by irradiation
9. Pesticide/agrochemical residues in the ingredient shall not exceed the maximum residue levels specified in the Pesticide (Maximum residue levels in Food) Regulations 1988 and any subsequent amendments, or those given in the FAO/WHO Codex Alimentarius.
10. To be delivered using clean transport in the stated conditions (i.e. ambient, chilled, frozen)
11. The information on this specification can be used without reservation to advise customer with food allergies, intolerances or aversions, especially those who may die from an anaphylactic reaction to minute traces of ingredients.

CONFIDENTIALITY:

The contents of this specification are confidential and should not be disclosed to a third party without a written approval of Tazaki Foods technical department.
