Brand Marketing

W & H Marriage & Sons Ltd has been milling flour in Essex since 1824. Marriage's was founded by twins William and Henry nearly 200 years ago. Today the fifth and sixth generations of the Marriage family continue the milling tradition. We source the best wheat, much of it from farmers within 30 miles of Chelmer Mills, including our own arable farms. Our flour is produced using a combination of the traditional techniques we have trusted for generations and the best modern milling technology.

Marriage's Range includes Organic, Speciality and Stoneground flavours.
